Ouachita Little Theatre is always looking for new ways to enhance the entertainment and leisure past-time activities of the local community. The newest venture is taking the form of the Memories Saver Service. This is a chance for patrons to convert their personal VHS tapes, old home movies, audio cassettes and more, to a new DVD format. There will also be copies of all previously recorded OLT plays and musicals to purchase, even of vintage performances from many years past. People who wish to make personal copies will be able to take advantage of this individualized service, done onsite at the Theatre Business Office, 610 Mena St. The greatest advantage for the consumer is the fact that materials will never leave the premises of the OLT office. Theatre officials promise they will be treated with great individual care and respect, especially old or delicate media. The OLT Board members desire to keep prices very reasonable; in most cases it will not cost more than \$20 to convert up to a 2-hour videotape to DVD. Costs will become even less as numbers of copies increase. No copyrighted materials may be copied, but anything of a personal nature will be allowed. To place your order, drop by the OLT office between 10:00 AM and 2:00 PM on weekdays after September 18th. More details available on the Ouachita Little Theatre Facebook page or the website at ouachitalittletheatre.org. Any and all proceeds from this venture will go directly into the funds for the nonprofit organization of the Ouachita Little Theatre.

STILL ON THE HILL

Is a folk duo from the Ozarks, they have been touring coast to coast and internationally for over 20 years, and received the Governor’s Folk Life Award for their work in preserving Arkansas culture.

Last year they received a grant to create a CD and series of FREE concerts called STILL A RIVER. The STILL A RIVER Project is a collection story-songs about the people and history of the BUFFALO RIVER, our nation’s first historic National River. They performed this show in over 15 locations to sold-out crowds and gave away 100 FREE CD's to the first folks in the door. They just got a grant from the National Parks to perform another 10 shows, (also for FREE with CD give-away) OLT has arranged to have this program at our theatre Sunday, November 19 at 2:30 pm. The program is presented by Donna and Kelly Mulhollan, Still on the Hill.

COMING ATTRACTIONS

The Tragedy of Hamlet, Prince of Denmark, often shortened to **Hamlet** (/ˈhæmlɪt/), is a **tragedy** written by **William Shakespeare** at an uncertain date between 1599 and 1602. Set in the **Kingdom of Denmark**, the play dramatizes the revenge **Prince Hamlet** is called to wreak upon his uncle, **Claudius**, by the ghost of Hamlet's father, **King Hamlet**. Claudius had murdered his own brother and seized the throne, also marrying his deceased brother's widow.

Sandy, the four-times-married-three-times-divorced owner of a wedding chapel in Las Vegas, has certainly seen her fair share of matrimonies! In the hilarious **Four Weddings and an Elvis**, we witness four of her funniest. However, the final wedding should be the funniest of all. Sandy’s fifth and final wedding reveals an hilarious twist!

At the behest of John the Baptist young men and women forsake their jobs and take up the mantle of Jesus Christ -- becoming his disciples -- in a musical retelling of the Gospel of Matthew set in modern-day.

Blind and deaf after suffering a terrible fever as a baby, young Helen Keller has spent years unable to communicate, leaving her frustrated and occasionally violent. As a last chance before she is institutionalized, her parents contact a school for the blind, which sends half-blind Annie Sullivan to teach Helen. Helen is initially resistant, but Annie gradually forms a bond with her and shows Helen ways of reaching others.
