## OLT Congratulates 2020 Seniors

OLT has had the privilege of working with a group of talented young people. Some of whom started while in grade school. Others joined once they got to high school. A number of these wonderful folks are now seniors and are facing the misfortune of having to forgo or postponing a formal graduation ceremony. OLT, and the rest of the community, are trying to make May a special month for our graduating seniors in order to make up for the current situation. We would like to start by mentioning the seniors here who have been a part of OLT over the years. Other commemorations are in the planning so stay tuned to see what else is happening all over town. The risk in presenting this list, that inevitably someone gets left out. If that is the case, let us know and we will rectify it. From Mena: Alexis Payne, Jocelyn Parsons, Gregory Blashka, Lexi Lawrence, Abby Langin, Nalu Pruitt, and Octavia Howard, From Acorn: Justin Richmond, and Mercedes Mowdy, From Waldron: Cassandra Boeningare are names that have been shared with me. Congratulation to you all and the best of luck in the future.

## Election Slate Selected

Because of the Corona Virus it will not be possible to hold our regular annual meeting. It is at the annual meeting that the officers are elected for the the following year. To facilitate the election we will be mailing ballots to our members. The ballot will come with a self addressed envelope back to the theatre. The return address on the envelope will also be OLT. Since the member's names will not be on the envelope or on the ballot the election will be secret. Only returned official ballots will be counted. It has been the practice to open the floor for additional nominations. Through personal database emails and facebook additional nominations have been solicited. There were no nominations so the nominations were closed May 1 as advertised. Here are the names of the folks running for office.

UPCOMING EVENTS

The classic 1987 motion picture fantasy bursts onto the stage in the unforgettable theatrical experience. Josh Baskin is sick of being an awkward kid. At a carnival, he makes a wish to the Zoltar machine to become "big." Complete with Zoltar, a giant floor piano and stand-out roles for adults and children, *Big* is a great choice for theatres that are looking for a family-friendly smash-hit that is full of high-energy singing

and dancing.

Louisa May Alcott's beloved story of the adventures of the four March sisters is brought to vivid musical life in **Little Women**. **Little Women** reminds us that "sometimes when you dream, your dreams come true." The show will be directed by Alexa Night

THE **LAST LIFEBOAT** is destined to become a theatre classic! " THE **LAST LIFEBOAT** is the untold story of J. Bruce Ismay, the owner of the White Star shipping Line when The Titanic sank, whose decision to save himself rather than go down with the ship made him the scapegoat for one of the greatest disasters of all time. The show will be directed by Chase Night

In this hilarious, fast-paced comedy, the inhabitants of one of the smallest trailer parks in **Texas**—four **doublewides** and a shed—are thrown for a loop when they realize the nearby town of Tugaloo is determined to annex them. And it's not as if they don't already have enough to deal with. The show will be directed by Scotty Jenkins

We are planning on a JOLT production. Shows by Justin Richmond and Logan Sweeten have been approved for production but, as with everything else, the dates for these shows are still up in the air.

Hello friends of OLT

Thank you for your support of OLT. Our community theatre is struggling right along with you during these difficult times. Just like you our bills continue, utilities, insurance, mortgage payments, just to mention a few, continue. Our automated membership renewal program is continuing to send out your membership renewal reminders. On behalf of our theatre I ask that if at all possible include us in the payments you are going to make during this rough time. If it is not possible, we will understand but hope that when things return to normal we will be among the things on top of your list to support with your membership renewal.

Rudi Timmerman  
OLT President

Why Not Consider a Membership and Season Ticket?

ONLY \$50 (season ticket only is \$40)

## THE MUSICAL, **BIG** IS STILL SCHEDULED

It is the intention of OLT to present the musical BIG as the next production. While current conditions make it impossible to set a specific date, rest assured BIG will be performed. To make sure everyone will get a chance to see this great show, OLT is extending the expiration date on season tickets so that the ticket holders will receive the full compliment of shows they were originally entitled to. Check out our upcoming shows on the next page.

As OLT supporters you should be aware that, like other small businesses as well as yourselves, we will be having some hard times until life gets back to normal after this pandemic. For example we have spent over \$3000 dollars on the royalties for “BIG” not to mention what “Little Women” will cost. Luckily MTI, the owners of the production rights, is working with us by letting us keep rehearsal materials as needed and also approving new performance dates. In addition close to \$2000 have been spent on the staging of “BIG”. While much of this will be donated, OLT will have these and other expenses for the show. After having spent that money earlier with no refund possible, we are now faced with regular operating expenses without a substantial income. You can help by continuing to renew memberships and/or donation to OLT. We understand that this may not be possible for some, but if you can, please help.

Even though our office is closed until further notice, work is continuing on orders placed prior to the closing of the office. If you have an order in progress you will be contacted when it is finished.

Progress is being made on the set for BIG. The heavy work was done as the A Midsummer Night's Dream set was struck well before the pandemic. The rest is being accomplished by building subassemblies at home and erecting them using social distancing and working with cohabiting family members at the theatre. The BIG piano is big. It took 5 of us to get it out of my basement and onto a trailer to take it to the theatre.
