Sconces have been finished and hung but it was agreed that they need to be lowered. We should have about \$200 from our Downtown Partner grant to help pay the electricians to do the job. ## **Social:**

### **Old Business:**

- Problems in the sound booth- chair has been broken, food is being left and then roaches have appeared, some equipment has been damaged also.

We would like to not have outside food on the concession stand area, on stage, or in the sound booth- a place is needed for people to eat, possibly the dragon room if we can get it cleaned up. All food, and its trash should be carried away from the theatre each evening!

- Rudi is not able to access and update the OLT website-He has been in contact with Mitchells Computer Services

### **New Business**

- Rudi has looked into a neon sign for the front of the building. It would cost upwards of \$20,000.00 He also has looked into smaller digital signs for play announcements. Committee was formed to get this going and it includes: Judy, Julie, Scotty, and Bill.

We would like to have some facts and figures so that the fundraising committee can have a goal for the Almost Bensons Banquet!

**Adjourn:** Lamar made the motion to adjourn and Jessica seconded.

Respectfully submitted

Judy Kropp
